### **Welker & Company CPAs Consolidate Offices**

Rochester, NY – Christopher L. Welker, CPA, principal of Welker & Company, Certified Public Accountants, today announced the consolidation of the firms' Brighton and Henrietta offices.

The firm will now be operating exclusively from its' Henrietta office at 225 Tech Park Drive.

“Everything is the same except the location” says Welker. “Our Brighton clientele that have already visited the Henrietta office enjoy the look and feel. They’re dealing with the same staff they’ve grown accustomed to for years, only in a new atmosphere. Of course, having the new Park Point and Barnes & Noble just down the road is a huge benefit for us.”

The firm has offered its Brighton clientele a gesture for making the move: A prepaid gas card for each clients' 1<sup>st</sup> visit to the Henrietta office.

Welker says “It’s a small gesture but one we feel is worth it for them (the clients). With gas prices so high, we wanted to give them a little something extra for staying with us.” He jokingly adds “Even if our Henrietta office is closer, they’ll still receive it!”
